 28. Party
 30. Public notices
 33. Raise

On June 16th, 2022, fourteen lucky seniors rode the trolley to the Nome School house. Although none of the seniors were students in this school, it was in their childhood communities and home to them.

They enjoyed a great tour of the wool processing area, looked at finished wool products and ended the visit with a great meal in the dining room.

Thank you to John Pegg for driving the trolley and thank you to South Central Adult Service for providing the Red Trolley.
